

## **Clinical Immunology, Autoimmunity & Tolerance, Systems Immunology Pre-Meeting Workshop**

### **9:00-9:10 Welcome and Acknowledgement of Country**

### **9:10am - 10:45am Session 1: Clinical immunology and translation**

**Chairs: Vanessa Bryant & TBC**

9:10-9:40 Michelle Linterman: *'How human T and B cell response to vaccination changes with age'*

9:40-9:55 talk from abstracts

9:55-10:10 talk from abstracts

10:10-10:25 talk from abstracts

10:25-10:40 talk from abstracts

### **10:45am - 11:15am Morning Tea**

### **11:15am - 1pm Session 2: Systems immunology and immune homeostasis (Sponsored by St Vincent's Institute Medical Research)**

**Chairs: Di Yu & TBC**

11:15-11:45 Dan Littman Title TBC

11:45-12:00 talk from abstracts

12:00-12:15 talk from abstracts

12:15-12:30 talk from abstracts

12:45-1:00 talk from abstracts

### **1pm – 2pm Lunch**

### **2pm – 3:30pm Session 3: Autoimmunity and tolerance**

**Chairs: Emma Hamilton-Williams & TBC**

2:00-2:30 Fabio Luciani *'Dissecting immuno-pathogenesis in active and refractory Coeliac disease using single cell multi-omics'*

2:30-2:45: talk from abstracts

2:45-3:00: talk from abstracts

3:00-3:15: talk from abstracts

3:15-3:30: talk from abstracts

### **3:30-3:45: Close and prizes**

**Australian and New Zealand**  
**SOCIETY FOR IMMUNOLOGY INC.**
